There are many positive reasons for sending a child to preschool. At First Christian Preschool we strive to provide an environment that is warm and welcoming. Our classrooms are bright and inviting, and our curriculum has been well-planned and is age-appropriate. We understand that we are responsible for your child's first impression of school and we take that responsibility seriously. Play is a child's "work" and it is through play that a child learns to be social, solve problems, be independent, and to be creative.

OUR MISSION STATEMENT:

To love, encourage and instruct each student entrusted in our care, as we would our own. Through Christian principles, we strive to nurture a love for learning in each child and build relationships with families in the community by sharing God's truth and love.
